Mr. H. P. Dawson,
High Rock Park,
Norfolk, Va.

Dear Sir:

I am writing to tell you I do not want the Park for Sunday, June 15th. We have unable to secure any other parks in the neighborhood for the days immediately following, and it is such a long distance to come to play one game.

If you have suffered any inconvenience as a result of promising me the date, please let me know and I will take care of any expenses incurred. We hope to come to Norfolk again this year.

Very truly yours,
